## Bucking Bull Named in Top Franchise Awards

Bucking Bull Roast & Grill has been named in the top 10 franchises in Australia in the 2012 Topfranchise.com.au Awards.

The annual awards evaluate franchises based on the level of franchisee satisfaction in a number of areas including support, finance and passion for the business.

**Bucking Bull was placed in 6<sup>th</sup> position for levels of franchise support and ranked 9<sup>th</sup> position overall in the awards.**

“We’re stoked to be named as one of Australia’s leading franchise systems and the only QSR to make it into the top 10,” said Bucking Bull and Aktiv Brands Managing Director, Stuart Beechen.

“The best part is that this recognition has come from our franchisees indicating that we are not only one of the best franchises in Australia, but we have some of the most satisfied franchisees,” he said.

The awards were created by franchise consultancy 10 Thousand Feet and involved extensive surveys of franchises around the country.

Franchisees were asked in depth questions about their franchise system’s support, training, assistance and financial performance.

Congratulations to *Smartline Mortgage Advisers* who topped the Topfranchise.com.au Awards list for 2012.
